CAREER OBJECTIVE

Results-oriented Computer Science graduate with a strong technical foundation, practical project experience, and analytical problem-solving capabilities. Committed to delivering quality outcomes, collaborating effectively with cross-functional teams, and adapting to evolving business and technological requirements while contributing to organizational objectives and continuous improvement.

EDUCATION

XII (Higher Secondary) 2020 – 2022 | Kollam, India
West Kollam G.H.S.S

B.Tech in Computer Science and Engineering 2022 – 2026
Saintgits College of Engineering and Technology, Kerala

X (Secondary School) 2020 | Kollam, India
Infant Jesus Anglo Indian H.S.S

INTERNSHIPS

KELTRON Internship
Topic: Machine Learning & Artificial Intelligence
- Gained hands-on experience with supervised and unsupervised learning models
- Worked with Python libraries such as NumPy, pandas, and scikit-learn

NeST Digital Internship
Topic: Web Development using Angular V20
- Completed internship at NeST Digital, learning web development using Angular v20.
- Built beginner to intermediate-level web projects, applying Angular components, routing, and data bind- ing.

PROJECTS

Tag Track
- Built a system that monitors product prices on Amazon and Flipkart
- Utilized Python (BeautifulSoup, Selenium); used Facebook Prophet for future price prediction
- Reduced price tracking errors by 20%, improving accuracy for users

PotAlert
- AI-powered driver assistance system for real-time pothole detection and adaptive navigation.
- Integrated automated civic issue reporting for smart city infrastructure.
- Designed for public transport vehicles using computer vision.

Cat-Prep Platform
- Developed a full-stack CAT preparation platform for previous-year question practice, section-wise tests, and timed mock exams.
- Designed a relational PostgreSQL database with Prisma ORM covering users, questions, attempts, bookmarks, mock tests, and results.
- Implemented JWT authentication, bcrypt password hashing, CSRF protection, CORS/origin validation, security headers, and API rate limiting.

TECHNICAL SKILLS

Languages
English, Malayalam, Hindi & Tamil

Programming Languages
C, Java, Python, SQL

Web Development
HTML, CSS, JavaScript, React, Angular

Tools & Frameworks
Canva, Figma, Angular, Git

Cloud & Machine Learning
Microsoft Azure (Fundamentals), AWS (Fundamentals), Facebook Prophet

EXPERIENCE

Event Coordinator
Nakshatra National Level Techno Cultural Fest 2025
- Managed and successfully conducted 60+ technical and non-technical events
- Coordinated cross-functional teams to ensure seamless execution of programs

Social Media Strategist
AT Bots
- Designed visual content for marketing campaigns and social media platforms
- Created cohesive brand materials that increased engagement.

Student Member, Venue Coordination Committee
Srishti National Level Tech Fest 2024
- Assisted in logistics and operations of venue arrangements during the event
- Supported the successful execution of technical competitions and workshops

ADDITIONAL TRAINING

App Development using Flutter
NIT Calicut
- Learned basics of cross-platform mobile development using Dart
- Built a sample weather app using API integration

Drone Technology Development
IIIT Kottayam
- 3-day hands-on workshop on Drone Technology and Development, focusing on assembling and configuring drones using a hardware kit.
- Built and tested a functional drone, learning key aspects of aerodynamics, electronic components, and manual flight control using a remote.

AWS Foundations: Machine Learning Basics
Simplilearn
- Completed foundational training in machine learning concepts and applications.
- Certificate Code: 10704098

Introduction to SAP
Great Learning
- Learned the fundamentals of SAP and its use in managing and integrating business processes.
- Verification**:** mygreatlearning.com/certificate/PMXIXJAV

Azure Fundamentals - Microsoft Azure
Simplilearn
- Cloud computing fundamentals and Azure services.
- Introduction to Azure solutions and Machine Learning.
- Basics of Azure DevOps.

Certificate Code: 10870901
